

TEACHING RESOURCES

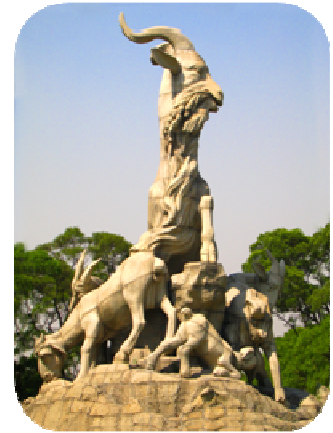

Are you interested in offering **multicultural experiences** to your pupils?
Do you need access to **stimulating Chinese cultural materials**?
Would you like help from our **experienced Chinese teachers**?

FREE materials from the BRISTOL CHINA PARTNERSHIP

Bristol and Guangzhou have been officially twinned for almost 10 years, and in this time the Bristol China Partnership (BCP) have endeavoured to develop strong links between schools from both countries, giving a feel for the other's culture.

Through our extensive Chinese contacts in the region, we are able to put schools or clubs in contact with professional teachers who offer a wide range of interesting and stimulating sessions, tailored to their needs – be that for an assembly, a lesson, a day, a series of lessons or indeed a lunchtime/after-school club. All these are available at a limited cost to cover staff time.

WORKSHOPS

The following workshops are also available to help give some practical involvement in Chinese culture:

- Introduction to the Chinese language
- Brush painting
- Calligraphy
- Origami
- Songs and music
- Cartoon films
- Stories
- Lion dancing
- Shadow puppets

ARTEFACTS BOX

Over the last 10 years we have been lucky enough to collect a treasure trove of Chinese items from both sides of the world. We have boxed this wealth of material together to provide younger children with the chance to see and handle Chinese artefacts.

The box contains:

- Fans
- Paper dragons
- Lantern
- Chopsticks
- Writing brush
- Dragon dancing costume
- Postcards
- Books
- Toys
- Games
- DVD

The box is available free of charge for periods of up to one week and includes accompanying teacher notes on CD.

SCHOOL LINKS

We want to support staff from both cities in order to enrich the curriculum and provide staff training opportunities. We have access to British Council funding for school link activities and teacher visits.
